Sandwell's Parent Carer Forum for SEND

Partnership for Neurodiversity in schools (PINS)

Sandwell Parents Voices United (SPVU) are Sandwell's SEND Parent carer forum. We are a parent & carer led voluntary group working to ensure your voice is heard by statutory services.

SPVU will visit

Hall Green Primary School

On :

Monday 13th October 2025 2pm-3pm

SPVU will introduce the parent element of the PINS project and give you an update on the progress being made and explain how SPVU can support you to access necessary services for your child. We will ask you to tell us what support you think is necessary for you.

Your school have indicated they would like to work with you to enhance parent & carer engagement and support you in hearing your voice to develop services in your school. SPVU aspire to help your school develop an active parent & carer forum.

We look forward to meeting you soon

Best Regards

Daniel McKenzie (PINS project lead & Chair Sandwell Parents Voices United) .
