### **Delay to KS2 test results**

Dear Parent/Carer

I am writing to inform you of a national delay to the release of this year's Key Stage 2 (KS2) test results, which affects all primary schools in England. Schools were originally due to receive pupils' results on **Tuesday 7th July 2026**.

However, **Pearson Education Limited**, the organisation responsible for administering, marking and returning the KS2 test results to schools on behalf of the Department for Education, has experienced a delay within the national system used to make results available.

As a result, schools will now receive KS2 results on **Thursday 16th July 2026**. We appreciate that this news may be disappointing, particularly at such an important time of year. However, we would like to reassure you that this delay is **not** related to the quality of the tests or the accuracy of the marking. The test papers have been marked through the usual national processes, and the delay relates only to the release of results to schools. Importantly, this delay will **not** affect your child's transition to secondary school and there is no action required from parents or pupils.

As soon as we receive the results on 16th July, we will share them with you as quickly as possible and most definitely before the end of term.

We remain incredibly proud of everything our Year 6 children have achieved throughout their time at Hall Green Primary School, and we look forward to celebrating the end of their primary journey with them.

If you have any questions, please do not hesitate to contact a member of the Year 6 team.

Thank you for your continued support and understanding,

Mr Falconer, Miss Webley, Mrs Wiltshire and the Year 6 team.
