

### English

As writers, we will be looking at the book 'Super Tato' and we will be writing our own character description. We will then be learning to write persuasively, encouraging people to join our 'veg crew'!

## What are we learning about this half term?

### Maths

As mathematicians, we will be working on our numbers to 100. We will also be recognising different times on clocks such as o'clock and half past and chronological order.

We will be learning about money, including different coins and notes and their money value.

### Outdoor Learning

As part of our outdoor learning challenges, we will be creating land art using natural materials. We will also be making a stick trail using directional language.

### Computing

As designers, we will be carrying on e-book work on a special topic themed subject and editing it to make it better.

### RE

In RE, we will continue our learning on Sikhism and learning about the Gurdwara. We will be looking for the answer the question: Why is there a kitchen in the Gurdwara?

### Geography – The Weather

As Geographers, we will be continuing with our topic 'The Weather'. We will be identifying seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

### Music

As musicians, we will learn the song 'Your Imagination'. We will listen to this song and other songs about using your imagination. We will learn about the dimensions of music and we will take part in singing and playing instruments keeping a good sense of beat and rhythm.

### PE

Athletics and Team Games – In PE we will be focusing on Athletics and preparing for Sports day. Team games – We will be focusing on working as a team and the importance of teamwork within games and challenges.
