

English

As writers, we will be looking at the traditional tales 'Jack and the Beanstalk' and 'Little Red Riding Hood'. We will be writing our own traditional tale, and we will be writing a diary entry from the point of view of Little Red Riding Hood.

What are we learning

about this half term?

Maths

In Maths we will be learning to 'make groups' to help us learn how to multiply. We will also look at 'sharing' to help us divide. We will then be focusing on fractions such as halves and quarters.

Science-Plants

As scientists, we will continue learning about different types of plants and trees and observing the growth of our own plants. We will also be looking at the difference between deciduous and evergreen trees.

Computing

As designers, we will start to create our very own e-book on a special topic themed subject and will then create audio to go with it.

RE

In RE, we will begin to learn about Sikhism and read different stories of the Sikh Gurus. We will think about the lessons we can learn from these special stories.

History-Florence

As Historians, we will continue to look at the work of Florence Nightingale.

Geography- The Weather

As Geographers, we will be observing and recording the weather. We will work towards creating our very own weather station.

Art

As Artists, we will learn about the famous textile artist Gunta Stolz. We will develop a range of art and design techniques in using colour, pattern and texture and we will make a wall hanging. We will weave with fabric, thread and paper; show pattern by weaving and decorate to add colour and detail.

PE

Year 1 will be focusing on their striking and fielding skills. They will be trying to strike a variety of balls from a still position, using both their hands and feet. They will also be learning fielding techniques and trying to retrieve the ball back quickly.
