Mrs Gilbert

Mrs MacDiarmid

Mrs Taylor

Staff

- Mr Falconer

- Miss Webley

- Mrs Wiltshire

- Miss Lewis

- Mrs Plose-Joyce

- Miss Shand

A message from our **Parent Partnerships Team**

- We welcome you on this next stage in your child's learning journey. We look forward to working with you to enhance the relationships between home and school which can lead to happy and successful children.
- Throughout the year ahead, we hope to continue to welcome you back into school to share learning experiences and progress meetings as we work closely together for your child. We may ask you for your feedback to help us to see how effective our provision is in your eyes.
- We would like to know constructively how, we could improve our provision for you or any aspect of school life. If you feel that we could run workshops to help learning at home or point you in the direction of developing your own learning skills, we aim to assist you in any way we can.
- Please look out for updates on the school's website or the newsletter.
- At any time, please speak to your child's class teacher, or Mrs Dicken (Y1).
- Any written suggestions can also be dropped at the post box in the school's reception.

Safeguarding

At Hall Green Primary School; the health, safety and well-being of our children is of paramount concern to us.

Our aim is for children to enjoy their time as pupils in our school. We want to work in partnership with you to help your child achieve their full potential and make a positive contribution to the world they will be part of in the future.

Our School Aims & Values

The aims of the school are the same for all pupils. Within a caring, positive, disciplined and safe environment and in partnership with parents and governors.

Resilience

Perseverance

Courage

Respect

Tolerance

Kindness

Empathy

Co-operation

Collaboration

Honesty

Trustworthiness

Integrity

Ownership

Responsibility

Independence

Accountability

Structure- Our timetable is on the year group page

National Curriculum

Reading

By the beginning of year 6, pupils should be able to read aloud a wider range of poetry and books written at an age-appropriate interest level with accuracy and at a reasonable speaking pace. They should be able to read most words effortlessly and to work out how to pronounce unfamiliar written words with increasing automaticity. If the pronunciation sounds unfamiliar, they should ask for help in determining both the meaning of the word and how to pronounce it correctly.

National Curriculum

Writing

Pupils should be able to write down their ideas quickly. Their grammar and punctuation should be broadly accurate. Pupils' spelling of most words taught so far should be accurate and they should be able to spell words that they have not yet been taught by using what they have learnt about how spelling works in English.

National Curriculum

Maths

The principal focus of mathematics teaching in upper key stage 2 is to ensure that pupils extend their understanding of the number system and place value to include larger numbers. This should develop the connections that pupils make between multiplication and division with fractions, decimals, percentages and ratio.

Assessments

- Half termly tests in reading
- Half termly maths assessment
- Termly assessment of CEW
- Writing assessments (2 or 3 a half term)
- Half termly SPaG assessment
- Termly reading and comprehension ages
