Head Teacher – Mrs A Gilbert

Monday 5th October

Re: School Trip to Thinktank Science Museum, Birmingham – Thursday 5th November 2026

Dear Parents/Carers,

We are pleased to inform you that we have arranged an educational visit to **Thinktank Science Museum in Birmingham** on **Thursday 5th November 2026**.

The purpose of the visit is to support our current Science learning. During the trip, pupils will take part in a **focused, expert-led workshop exploring forces and friction**, helping them to develop and apply their understanding of the topics we are studying in school.

In addition to the workshop, pupils will have the opportunity to explore the museum and discover its many interactive exhibits in **small, supervised groups**.

Trip details

- **Date:** Thursday 5th November 2026
- **Departure:** We will leave school shortly after registers have closed.
- **Arrival at Thinktank:** Approximately 10:00am
- **Departure from Thinktank:** 2:00pm
- **Return to school:** In time for normal school dismissal
- **Lunch:** Pupils should bring a packed lunch. If your child is in receipt of **Free School Meals**, a packed lunch will be provided by school.
- **Cost:** £20 per person

The **£20 contribution** will cover the cost of the coach travel, entry to Thinktank Science Museum and participation in the expert-led workshop. **Consent and payment should be made via Arbor. Please note that if we cannot cover the cost of the trip, it may have to be cancelled.**

We hope that your child will be able to join us for what promises to be an enjoyable and valuable learning experience. The visit will provide pupils with the opportunity to build on their classroom learning while exploring science in an engaging and interactive environment.

Further information about arrangements for the day will be shared with pupils nearer the time. C

Thank you for your continued support.

Yours sincerely,

Mr Cotterill and Year 3 staff
