Head Teacher – Miss K Heng

19<sup>th</sup> November 2018

Dear parents,

**Re: Year 4 food cooking and food tasting.**

Dear Parents/Carers,

This Friday on the 23<sup>rd</sup> November the children will have the opportunity to take part in **cooking** and **tasting** three different dishes using **Quorn** and other ingredients.

The session will be led by Kate Snow, who is a lead home economist and has worked with top chefs, presenting a range of dishes to catering managers and worked with school children on healthy eating projects.

These sessions will be a part of our Science topic on the human body, the children will be learning about the digestive system and how to eat more healthily.

There is an allergy form attached for your attention with the three dishes the children will be cooking and tasting on Friday.

If you have any further questions, please do not hesitate to get in touch.

Yours Sincerely,  
Mr Singh, Mrs Scott Miss Hunt.  
Year 4 Teachers
