

English

As readers and writer we will be writing an adventure story based on the story 'Egyptian Cinderella'. We will also be writing a scientific report based on our science topic, Electricity based on how to make a working circuit.

RE

As theologians we will research the values of Christians and Humanists by:

- identifying and investigating values in human life, and consider their own values with special references to the values of Christians and Humanists.
- how Christianity and Humanists communicate their values and how they believe they make differences to our lives.
- considering what matters in life and develop an understanding of the values people share, and the fact that not all values are shared.

What are we learning

about this half term?

Computing

In computing we will learn:

- to use technology safely, respectfully and responsibly
- to recognise acceptable/unacceptable behaviour
- to identify a range of ways to report concerns about content and contact

PE

In PE we will be focusing on invasion games. We will be looking at how to attack and defend as a team, as well as developing our passing and moving skills. We will also be developing our orienteering skills through map work. We will begin to develop learning water safety and swimming skills

Maths

As mathematicians we will be learning:

- number patterns
- looked at place value in four digit numbers
- Rounding to nearest ten, hundred and thousand
- adding and subtracting 4-digit numbers.

Science / Topic

As scientists, we will explore how a circuit works and make a scribbling robot using our knowledge of circuits.

As historians, we will be looking at the Ancient Egyptians and how their way of life differs to our modern day life. We will be focusing on what hieroglyphics are and how mummy's are made and for what reasons.

Art/Music As artists, we are designing and making a 3D Egyptian mask using skills of research, design, sculpting, joining and painting.
