

# Home Learning Challenge- 'There's no place like home.' and 'Would a tiger really come to tea?'

Please look at the list below and select one activity that your child would like to do at home (or choose something else based on our Unit). **We would love it if you could support your child in completing this project but please ensure they have overall responsibility for whatever they produce.**

## There's no like place home ideas:

- Draw a map of your house including your garden.
- Go to a national trust park and complete a nature trail- telling us about the natural and human features you encountered.
- Walk around your local area taking pictures explaining what you can see.
- Research another country apart from England in the UK and tell us 5 interesting facts about their environment.
- Make a rhyme, rap or poem to help you remember the continents in the world.

## Would a tiger really come to tea and seasonal change ideas:

- Make an animal, person or an Autumn tree using leaves and twigs.
- With an adult, research what the weather is like in the UK and present your findings in a creative way.
- Decorate a leaf and use adjectives to describe it.
- Build a bug hotel in your garden.
- Create a natural history documentary- think David Attenborough and Planet Earth.

Please note that final submission for this home learning challenge is on Friday 15<sup>th</sup> December 2023 where all children will be given the opportunity to share their learning with the whole class.

## FEEDBACK ON CHALLENGE

Feedback from parent:

Feedback from child:

Feedback from teacher:

**PLEASE HAND THIS SHEET IN WITH  
YOUR PROJECT on Friday 15<sup>th</sup>  
December 2023.**
