

Dear Colleague,

As you will be aware we are working with Hall Green Primary School to Poverty Proof® the School Day – aiming to remove barriers to learning for children and young people experiencing poverty and reducing the stigma and discrimination that they face.

The process of Poverty Proofing® begins with an audit of the views of pupils, parents, staff and governors. In order to be able to complete an action plan for your school, we need your views! We will try and speak with as many staff as possible whilst we are on site.

However, we may not be able to speak directly with you all. We would therefore like to invite you to give your views anonymously online.

To complete the survey click on the following link: [Poverty Proofing® Staff Survey](#)

Please submit your responses as soon as possible.

If you have any further questions or queries, then do get in touch.

Yours sincerely,

Scott Johnson and Rachael Wolfel
