December 2020

Dear Parents, Carers, Teachers and Staff

As we reach the end of 2020, I would like to take this opportunity to say a heartfelt thank you on behalf of your Governing Body.

The word 'unprecedented' has been used more than ever before when describing this year, COVID-19 has shattered the world as we know it and for many of us, the holiday season will look very different this year.

We have and continue to face one of the most (if not *the* most) significant adverse situations schools have ever experienced, and as Chair of Governors I could not feel more proud of what we have achieved together, despite the adversity. It is clear the community at Hall Green share very high expectations for all pupils' happiness, enjoyment, behaviour and learning to enable them to develop and shine and achieve the very best they can.

With the support and guidance of a dedicated leadership team, Hall Green, staff have demonstrated exceptional commitment and enthusiasm to creating a happy, safe and educationally exciting environment in which all children can learn and develop, whilst also keeping them safe and adhering to some strict public health guidelines.

Miss Heng, Mrs Gilbert and their team of senior leaders have and continue to give their all to ensure the school develops and continues to provide the positive and caring environment we are all working so hard to achieve.

To the leadership team and all staff at Hall Green; you are an inspiration not only to our pupils, but to us all. The success of the school is very much a team effort for which as Governors we extend our sincerest thanks.

I would like to take this opportunity to thank the Governors of Hall Green for giving up their valuable time, and for the effort they put into supporting the school. It is a privilege to work with such professional and enthusiastic people. Governors provide support to the school in a number of ways, using our experience from our varied backgrounds. In my view, the most important role of a Governor is to make sure that our already successful school continues to

*YOUR CHANCE TO SHINE*

improve and build upon that success.

On behalf of the whole Governing Body, I would also like to extend our sincerest thanks to all our parents, volunteers and friends for your continued support.

I look forward to spending more time with you all in person in 2021.

May I take this opportunity of wishing you all and your families a very Merry Christmas and a Happy New Year.

All the best, and stay safe,

A handwritten signature in cursive script that reads "Wendy".
