

Sandwell Parent Voices United

Sandwell's Parent Carer Forum for SEND

Friday 5th September 2025

Dear Parent Carer

On behalf of Sandwell Parents Voices United, The SEND parent carer forum, I am pleased to advise you that your child's school is participating in the Partnership for Inclusion of Neurodiversity in Schools (PINS) programme, which aims to improve support for children with additional needs.

Please complete our survey here: <https://www.surveymonkey.com/r/528Y6JR>

The Parent Carer Survey to support the Partnership for Inclusion of Neurodiversity in Schools (PINS) project.

This survey is part of the Partnership for Inclusion of Neurodiversity in Schools (PINS) funded by NHS England in partnership with the Department of Education, Department for Health and Social Care and the National Network of Parent Carer Forums (NNPCF).

The survey is open until Thursday 18th September 2025

The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need. The information from the survey will be used to understand the current strengths and potential areas of improvement in a school.

The survey is for all parents and carers of children attending schools participating in the project. If you have more than one child attend the school, then you may complete the survey for the number of children you have attending the school.

In Sandwell, we will be hosting Parent Carer 'Coffee Mornings' in the school and we will be starting these in September, and we will ensure dates are published in your school. We will arrange times to suit as many parents/carers as we can, and will offer an online meeting if this suits? If Sandwell Parents Voices United can help in any way, please feel free to contact me on the email/mobile below.

Best Regards

Daniel McKenzie (PINS project lead & Chair Sandwell Parents Voices United) .
