Don't throw your bits and bobs away... we need them!

Dear parents and carers,

As you may be aware we are working hard to develop our outdoor provision at lunch times to encourage social opportunities, communication and team work and adventurous play. We have introduced the children to a few 'zones' that they can access including a quiet zone, basketball zone, football zone and gross motor play. Each week we will try to introduce a new resource for the children to use and gradually increase the amount of resources and zones available.

In order to build our capacity to create interesting and exciting new play opportunities, we are looking for donations. If you have any of the following items at home and would be happy to donate them, we would greatly appreciate it:

Old tyres or wheels (of any size)

Large empty cardboard boxes or crates

Buckets and spades

Pipes, planks, guttering off cuts...

Dressing-up clothes (KS1/2 size)
and/or fabric for den building

Toy cars, trucks, and loose parts for
creative play

logs and tree stumps or sanded
Planks of wood

kitchen items: pots, pans, colander etc

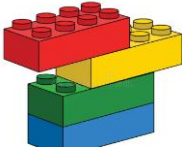

YOUR CHANCE TO SHINE

Cutlery – wooden and metal
Spoons, forks, spatulas etc.

Wind chimes and other musical items
for the garden

Lego or building bricks

Old suitcases, brief cases and bags

All donations will help us create exciting and engaging outdoor experiences for our children. If you have something to donate, please bring it to the school office.

If any of our wonderful parents are able to donate any bigger items or have connections with companies who may be willing to help, please do get in touch! We would love to get some mud kitchens and even larger items such as wooden boats!

Thank you for your support in making our outdoor provision better!

Kind Regards,
Mrs MacDiarmid
